

Seam/Seam Finishes

Sample #2

Name:

Date:

Welt Seam

A welt seam gives the finished garment a tailored look.

Follow these steps:

1. Make a plain seam.
2. Press both seam allowances in the same direction.
3. Trim the under seam allowance to $\frac{1}{4}$ inch.
4. From the right side of the garment, stitch $\frac{1}{4}$ inch from the seamline, catching the wider seam allowance in the stitching.
